

Transition Cornwall+ Food Action Group welcomes you to World Food Day

All the programmes are free.

Please feel free to join any demonstration or workshop, and tour the property.

There are maps and signage to guide you as well as people happy to provide information.

Items of note: Please watch your step as the ground is uneven. There is a portacabin toilet situated (location here). There are containers available for both recycled waste and for garbage throughout the grounds. **Onsite parking for handicapped only**
